

**NOW BOARDING: REGIONS P.O.R.Q.
LAMBDA DELTA WELCOMES YOU TO**

AΦΩ

**INTER-REGION CONFERENCE
AN AROUND THE WORLD EXPERIENCE**

Dear Brothers,

Welcome to the P.O.R.Q inter-region conference! On behalf of the NJIT chapter of Alpha Phi Omega, we're thrilled to have you all here.

This year's theme is "Around the World," and it means something special to us. Four regions are gathering under one roof, each of you arriving with a different chapter, a different background, and a different way of seeing things. That range of diversity is not just a note in passing; it's a gift to celebrate. The best work in service and leadership comes out of rooms where no two people think exactly alike, and facilitating those rooms is what we at Lambda Delta care about most.

Over the course of the day, we'll handle business, run a mandatory risk management workshop, and open the floor to a range of optional sessions built around our three cardinal principles: Leadership, Friendship, and Service.

As your conference chairs, we have one ask: treat this weekend the way it's themed. Talk to someone from a region you've never met, ask how they run things, share how you do it, etc.. You'll leave with more than just notes for your chapter, you'll leave with connections worth cultivating.

Thank you for making the journey, wherever you traveled in from. We can't wait to see you.

Welcome aboard,
Natalie, Francesco, and all the brothers of Lambda Delta
